

Quilting by Christine

Custom Quilting

Thank you for inquiring about having me custom quilt your quilt top! I am newer to custom quilting and my price does reflect that. I am coming in at about 3/4 the cost of others. But in saying that I hold myself to a high standard and only quilt designs I know well and am comfortable doing. I love the art of custom quilting and how it adds another dimension of interest to a quilt. **Here is some more information:**

Cost (All prices are in Canadian dollars)

- Custom quilting cost is \$0.08 per square inch (20% discount applied from \$0.10 per square inch)
- \$2.50 per bobbin
- Top thread is included in the cost (I only use Glide thread)
- Additional cost may apply if multiple thread colours/changes are wanted

A \$50 deposit is required to hold your place in line and for me to create quilting designs for your quilt. This deposit is non-refundable under any circumstance.

Batting can be purchased through me

- Hobbs 80/20 (96" wide) - \$15
- Hobbs 80/20 (120" wide) - \$18
- Hobbs Wool (108" wide) - \$25

Your backing (and batting should you choose to provide your own) MUST be at least 4" larger on all sides than your quilt top.

The Process:

- If you decide that you would like me to custom quilt your quilt top you can reserve your spot by sending a \$50 deposit to ChristineAtamanchuk@gmail.com
- At that point we will arrange a time for you to send/drop-off your quilt top.
- Once I have your quilt top, and seen it in person, I will create a design for your quilt top. (Dependent on the quilt I may be able to design a rough plan from a picture of your quilt top).
- I will send you an agreement outlining the design plan, exact cost, and other details to look over and sign before I start quilting.
- You will be invoiced when the quilting is completed. The invoice must be paid in full before the quilt will be returned.

I can be contacted via email at ChristineAtamanchuk@gmail.com or you can call/text me at 780-265-6779

Hope to hear from you soon!
Christine Atamanchuk
